

# FRIEND your library

*it's easy to join &  
be our friend.*

The Friends of the Library (FOL) are dedicated to fostering a love of libraries, books, and reading in Citrus County through community outreach, advocacy, and support of the Citrus County Library System and staff.

## DID YOU KNOW

that the Citrus County Library System receives over 2,000 visitors per day? But there just aren't enough dollars in the budget to fund all of the exciting, involving, inspiring classes and programs that our county's residents both need... and deserve.

That's why we take a passionate interest in helping our library system be an even more vital part of our community by volunteering and fundraising at events and book sales. You don't have to be a regular library patron to appreciate how fulfilling the Friends' role is.

## MEMBERS-ONLY BENEFITS

As a member, you'll be paid back in a thousand ways every year:

- with children's smiles because you've helped sponsor programs and initiatives for them.
- with the appreciation of friends and neighbors for cultivating new innovations in your library and providing materials for the library's collection.
- and with the knowledge that you support lively cultural events that strengthen and educate your community.
